

# Support your local community legal centre!

Darebin Community Legal Centre (**DCLC**) urgently needs to relocate to appropriate premises that are safe and accessible.

We are asking for assistance from Darebin City Council. Council can help by providing Council-owned premises or financially assisting us to move.

**We need you to let Council know that you support DCLC and think that it should too.**

DCLC has been providing free legal advice, assistance, advocacy and community legal education to the Darebin community for **over 20 years**.

Darebin Council provides assistance to many other local organisations. Many other councils support their local community legal centres.

Our current office is far from adequate for the needs of our clients, volunteers and staff.

**Please let Darebin Council know that it should support DCLC!**
